Looking for compressed Air Cabinet Cooling Solutions to help prevent heat damage to your electrical components. Buy Cabinet Cooler at EXAIR !

The ESS employs an advanced air-cooled thermal management system to maintain optimal operating temperatures across diverse climatic conditions. By eliminating liquid cooling ...

Boost your renewable energy output with this premium High Voltage 100KWh 150KWh 200KWh Air-Cooled Outdoor Cabinet Energy Storage System. Engineered for reliability, scalability, and ...

IP55 Air Conditioner Cooling Cabinet Outdoor Telecom Enclosure Including 19 Inch Rack And Battery Shelves. Professionally design for weather resistance.

UL-certified 1000W air-cooled AC with IP55 rating and R134a. Designed for the outdoor power cabinet

UL-certified 1500W air-cooled AC with IP55 rating and R134a. Designed for the outdoor power cabinet

Explore durable outdoor cabinets and enclosures engineered for protection, performance, and reliability in demanding environments.

The Sunway 50kW/100kWh Outdoor Energy Storage System integrates high-performance lithium iron phosphate batteries, modular PCS, intelligent ...

The Air-Cooled 100KWh Outdoor Cabinet Series C& I Energy Storage System features an integrated design that combines batteries, BMS, EMS, modular inverter, and fire protection ...

UL-certified 1000W air-cooled AC with IP55 protection, using R134a. Ideal for power cabinets.

The Sunway 50kW/100kWh Outdoor Energy Storage System integrates high-performance lithium iron phosphate batteries, modular PCS, intelligent energy management, and a robust power ...

Available in both 100kWh and 215kWh capacities, this modular system integrates power modules, batteries, cooling, fire protection, and environment monitoring in a compact outdoor cabinet.

Other versions to special order. The Eaton® ExoCab26 outdoor cabinet belongs to a range of versatile, cost effective outdoor cabinets for a wide range of electronics applications. The ...

LongXing outdoor power cabinet provides flexible size options, offers the ideal enclosure solution to build the whole base station inside. The cabinets system supports network equipment, ...

UL-certified 5000W air-cooled AC with IP55 rating and R134a. Designed for the outdoor power cabinet

The system achieves an IP55 rating, meeting stringent outdoor environmental requirements and ensuring robust performance in various conditions. Additionally, C5 anti-corrosion certification ...

Discover the advanced 100KW-215kWh Outdoor Cabinet Energy Storage System with air-cooled technology. Ideal for peak shaving, backup power, and enhancing renewable energy use in ...

Even under extreme hot and cold weather, our products can also operate stably 24/7 throughout the year to ensure the safety and stability of power transmission.
