Addressing pressing issues such as global climate change, dwindling fossil fuel reserves, and energy structure transitions, there is a global consensus on harnessing ...

Pioneering projects in China are demonstrating how the potential of solar power can be harnessed across a wide range of new ...

This project employs YOLOv5, a state-of-the-art deep learning model, to detect temperature-based faults in PV modules using thermal imagery. YOLOv5 accurately identifies photovoltaic ...

The module features MPPT (Maximum Power Point Tracking) function and multi-protection circuits, therefore, it can keep working with high efficiency, stability, and safety. It is suited for ...

Automatic is a Most Loved Company and Disability Confident Committed. (Here's what that might mean for you.) Learn more about our dedication to diversity, equity, and inclusion and our ...

Our products cover Telecom, Green Solar Energy, Automobile application electronic and New energy fields formed six core product series, including standard telecom ...

Jobs at Automatic Beware of job scammers We've recently learned that some people have been contacted by scammers pretending to be part of the Automatic hiring team, using names like ...

Since its public launch in 2006, we have enhanced WordPress with a number of add-on services to make blogging better, safer, and more fun. Many of these services are also ...

This helps city planners and environmental protection workers prepare ahead of time for weather - related
