Does Lowe's sell battery-powered Yard Tools?

While these free tool sales typically concentrate on common power tools, Lowe's has thrown in some battery-powered yard tools as well. This kit comes with a powerful string trimmer and leaf blower, as well as a burly 5Ah battery.

How much does a battery kit cost at Lowes?

The battery kit retails for \$449, but depending on the tools you choose, you can receive up to \$747 in value! This offer is only valid through January 7, 2026, so be sure to take advantage of it now while Lowe's is still offering it! Click the button below to shop for this deal at Lowe's.

What is the best cordless power tool?

Makita USA: The Leader In Cordless with 18V LXT Lithium-Ion. The best in class for cordless power tool technology. A leader in power tool technology for the professional.

How much does a tool kit cost?

This kit usually costs \$300, or \$50 per tool, but the sale knocks a full \$100 off the price tag. This system is based on 20V Max batteries, so they're not wimpy department store tools that will break with a single use. The kit also isn't loaded with fluffy stuff that you don't need like a jobsite radio or other non-essentials.
