Where are kitchen cabinets made in Indonesia?

Serving Every Corner of the Archipelago We provide comprehensive kitchen cabinet manufacturing and installation services throughout Indonesia, including Jakarta, Surabaya, Bandung, Bali, Medan, Makassar, and beyond.

Are kitchen cabinets waterproof in Indonesia?

Our cabinets use specially-treated materials with moisture-resistant properties designed for Indonesia's high humidity. While not 100% waterproof, they feature water-resistant finishes, sealed edges, and elevated bases to prevent water damage during monsoon seasons and everyday kitchen use. Do you deliver kitchen cabinets to all Indonesian islands?

Where are custom-designed cabinets made?

Custom-designed cabinets built for Indonesia's tropical climate. Professional manufacturing and installation in Jakarta, Bali, Surabaya and nationwide. Indonesia's warm climate and rich cultural heritage inspire our unique tropical modern collection that balances functionality with aesthetic appeal, perfect for contemporary Indonesian homes.
