What storage options does Lyon's offer?

Our huge selection of Industrial Shelving offers a storage solution for any number of small to medium sized products. Our variety of Storage Rackoptions create ideal storage for bulky items. We also provide large racks for oversized and palletized items. Use any of Lyon's products alone or combine them all into one workspace!

How do solar panels work in a lion sanctuary?

When the sun rises,the solar panels begin powering the home. When more power is needed for the home,it can be pulled from the utility grid. The Lion Sanctuary is charged by solar during the day,when solar panels are producing more electricity than the home is consuming.
