When will Hainan free trade port launch independent customs operation?

Wang Changlin, deputy head of the National Development and Reform Commission (NDRC), announced that the free trade port will launch island-wide independent customs operation on December 18, 2025. The proportion of tariff lines with zero-tariff products in Hainan Free Trade Port will increase from 21 percent to 74 percent.

Will Hainan FTP be a key gateway for China's new era?

“With the independent customs operations, Hainan FTP is poised to become a key gateway for China's new era of opening up and innovation,” Cai added. China's Hainan Free Trade Port (FTP) is set to launch an island-wide independent customs operation on Dec. 18, 2025, underscoring the country's wider push for high-standard opening up.

What is the Hainan FTP's island-wide independent customs operation?

“The island-wide independent customs operation is a flagship move for the development of the Hainan FTP and a key measure to further expand opening-up,” Wang said, calling it “a milestone” in China's opening-up efforts.

Does Hainan free trade port require customs formalities?

There is no need to go through customs formalities for goods transshipped to the rest of China at the Hainan Free Trade Port. They shall be loaded and unloaded at the workplaces (sites) under customs supervision in the free trade port, stored separately from other goods under customs supervision, and identified with obvious marks.

Many favorable policies have since been issued to support the development of the Hainan Free Trade Port (FTP), including the implementation of zero tariffs and the easing of ...
