What is solar & storage Live London?

Solar & Storage Live London showcases global solar and energy storage solutions alongside complementary products and services for residential, commercial, industrial and large-scale utility projects.

Why should you attend Solar & storage Live London?

Whether you are a developer, investor, policymaker, or sustainability professional, Solar & Storage Live London provides the perfect platform to stay ahead in this rapidly evolving sector. Why Attend?

When is solar & storage Live London 2026?

The April edition, Solar & Storage Live London, launched in 2024 and was an overwhelming success. Returning for its third year in 2026, the show is set to grow even bigger, featuring over 200 global exhibitors and 200 speakers. More than 10,000 industry professionals are expected to attend over the two days.

Can you save money with solar systems in East London?

Yes, you can save a lot of money with solar systems in East London. Initially, you have to drop a couple of thousands to get the system installed, especially if it needs to power your entire property. However, it becomes cost-effective in the end when you don't have a massive electricity bill and you're not affected by load-shedding in East London.
