What are Lyon modular cabinets?

Lyon modular cabinets come with drawers, in mobile units, or as part of workbenches. These modular steel cabinets offer a high density storage solution. Reduce your storage footprint by as much as 50%! With six heights and five widths to choose from, you'll be sure to find the right cabinet for your needs.

When should you use industrial modular mobile cabinets?

Use our industrial modular mobile cabinets when you need tools and parts on the move. The handle helps you easily steer the cabinet around your facility. The 6 inch wheels hold up to 2,800 lbs so you know it can hold what you need it too. Workbenches are also available when a large work area is needed.

Are industrial modular cabinets safe for firearms?

With a few upgrades, our industrial modular cabinets become secure storage for firearms. These cabinets come with external lock bars on both sides to keep the units safe and secure. You can get either foam inserts for pistols or partitions for rifles. Add a hardwood top for a place to do cleaning and repair work on your guns.
