What is a cabinet door hinge?

To the uninitiated, a hinge is a hinge is a hinge. Here at D. Lawless Hardware, we know better than anybody that if you're looking for cabinet door hinges to replace existing hardware, the choices may be more complex than you'd expect. Here's a brief rundown on some of the most common styles of hinges for cabinet doors:

What are European hinges?

European Hinges: Also called concealed hinges, this type of hardware is hidden from view when the cabinet door is closed, giving the cabinetry a sleek and modern appearance. Butt Hinges: A traditional hinge type, butt hinges are the most common and have been used for centuries.

Where can I find cabinet hinges?

Hinge Outlet carries a huge selection of the most popular and hard to find cabinet hinges on the market. We are here to help you find the right hinge for your Cabinet Project. If you don't know exactly what you are looking for, read our Cabinet Hinge Guide to learn more about the variety of cabinet hinges available today.

What are self-closing hinges for cabinet doors?

Self-closing hinges for cabinet doors are an innovative solution that brings convenience and functionality to your cabinetry. By using a spring mechanism or hydraulic system, these hinges automatically close the door once it's pushed past a certain point, gently guiding it to a shut position.
