What is an outdoor telecom enclosure?

The outdoor telecom enclosures, which are also referred to as telecommunications cabinets, are fully enclosed cabinets that help protect electrical cabling and other equipment from potentially damaging environments. Such damage can be caused by dust, rain, ice, and external heat. What do you need to know about outdoor telecom enclosures?

What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

What are outdoor electrical cabinets & enclosures?

Browse our range of outdoor electrical cabinets and enclosures and discover why we're a trusted name in the telecom industry. An outdoor telecom enclosure is a specialized cabinet designed to house and protect telecommunications equipment in outdoor environments.

Does Hanut India manufacture outdoor racks for telecommunication equipment?

Hanut India has expertise in manufacturing Outdoor racks for telecommunication equipment. See PDF document for details. As an option Hulasi offers outdoor racks with a final coat of imported COOL PAINT. The COOL PAINT is a highly reflective paint which significantly reduces the solar heat load of the outdoor cabinet.
