Who is German battery company?

German co. for manufacturing Batteries is a 100% Egyptian owned and operated. manufacturing, exporting and distribution Company with more than 500 dedicated highly qualified team members. The company was established in 2005, primarily to manufacture Lead-Acid automotive batteries and serving the Egyptian market with.

What is a battery management system (BMS)?

Why? A Battery Management System (BMS) is an intelligent component of a battery pack responsible for advanced monitoring and management. It is the brain behind the battery and plays a critical role in its levels of safety, performance, charge rates, and longevity.

Why should you choose a BMS solution?

Advanced algorithms and electronics ensure high precision measurements: Customers have benefited from our BMS solutions all around the world - from ordinary applications to the most groundbreaking concepts. It often takes years for a customer to get from prototype to start of production of their Li-ion battery and end-application.

We manufacture all battery needs in-house. The company owns a factory for the production and refining of lead to ensure efficiency And the purity required for the battery.
