What is the SrB6 Battery Cabinet?

This is a pre order item. We will ship it when it comes in stock. The SRB6 Battery Cabinet is an outdoor-rated enclosure that can hold up to 6x SR5K-UL battery modules for a total energy capacity of 30 kWh. The cabinet is outdoor-rated with automatic, temperature-controlled cooling fans (120VAC) to keep batteries operating at optimal temperature.

Is HindlePower outdoor Battery Cabinet certified?

HindlePower's Outdoor Battery Cabinet is certified to IBC 2012, CBC 2013, and IEEE 693 to the highest levels. See our certification document here for more information. Outdoor NEMA 3R modular design easily expands and can accommodate any configuration of batteries and DC power equipment.

What is an outdoor Battery Cabinet?

HindlePower's Outdoor Battery Cabinet is constructed of extremely durable injected foam panels that achieve a level of thermal performance not previously seen in traditional battery cabinets. Feel confident your batteries will maintain 65°F for outdoor ambient temperatures down to -40°F and 77°F for outdoor ambient temperatures to 122°F.

Why should you invest in sturdy IP rated Outdoor Network cabinets?

By investing in Sturdy IP Rated Outdoor Network Cabinets, you secure your network infrastructure with unmatched durability and performance in any environment. Discover IP rated (NEMA) outdoor network cabinets designed for superior protection and durability for your network infrastructure in harsh environments.
