How big is the Vietnam battery market?

The Vietnam Battery Market is expected to reach USD 348.61 million in 2025 and grow at a CAGR of 6.83% to reach USD 485.07 million by 2030. Vision Group, PINACO, GS Battery Vietnam Co. Ltd, Leoch Battery Corporation and Heng Li (Vietnam) Battery Technology Co. Ltd are the major companies operating in this market.

What is the current state of battery manufacturing in Vietnam?

Current State of Battery Manufacturing in Vietnam Vietnam's battery market is currently dominated by lead-acid batteries, which account for more than 60% of the market share in automotive applications.

What is the market outlook for Vietnam battery?

Vietnam Battery analysis includes a market forecast outlook for 2025 to 2030 and historical overview. Get a sample of this industry analysis as a free report PDF download. The Vietnam Battery Market is expected to reach USD 348.61 million in 2025 and grow at a CAGR of 6.83% to reach USD 485.07 million by 2030.

Why is Vietnam developing a battery industry?

In recent years, Vietnam has witnessed significant developments in its battery manufacturing technology. Driven by the growing demand for energy storage solutions, the expansion of the electric vehicle market, and the government's push towards renewable energy, the country's battery industry is evolving rapidly.

International funding and capital sources for RE and BESS projects in Viet 35 FIGURE 18. Domestic funding and capital sources for RE and BESS projects in Vietnam 36 ...

In Vietnam Portable Battery Pack Market, offering valuable insights, key market trends, competitive landscape, and future outlook to support strategic decision.

Gushine Starts Battery Pack Production in Vietnam Chinese manufacturer Gushine Electronics has officially

opened its new lithium battery pack production facility in Hai Phong, ...

VinES Energy Solutions Joint Stock Company (VinES) and Gotion High-tech officially broke ground at the joint venture battery factory in Vietnam.

Vietnam's battery supply chain is still nascent, ranking 20th out of 30 on the global lithium-ion battery supply chain ranking in 2024.

2200mAh 3.7V 9C high rate lithium ion Battery 22R is stable, safe and reliable, can withstand all kinds of harsh environment, and can ...

Vietnamese vehicle maker Kim Long Motor said it is building a battery assembly plant in central Vietnam and will use cylindrical NMC ...

The Vietnam Battery Market size is expected to reach USD 348.61 million in 2025 and grow at a CAGR of 6.83% to reach USD 485.07 million by 2030.

Introduction The battery manufacturing industry in Vietnam has witnessed significant growth in recent years, driven by the increasing demand for energy storage ...

The VinFast battery factory in Vietnam is a joint venture between VinFast, a Vietnamese automotive company, and Gotion High-Tech, a Chinese battery manufacturer.

Introduction In recent years, Vietnam has witnessed significant developments in its battery manufacturing technology. Driven by the growing demand for energy storage solutions, ...

The Vietnam Battery Market size is expected to reach USD 348.61 million in 2025 and grow at a CAGR of 6.83% to reach USD ...

New battery manufacturing facilities in Vietnam are driving parallel growth in battery packaging operations. Co-location of packaging units ensures better integration, reduces ...

Samsung SDI Vietnam, a subsidiary of the renowned South Korean conglomerate, Samsung, is one of the leading lithium-ion battery manufacturers in Vietnam. The company represents ...

Tianneng is a lithium battery supplier with more than 30 years of development and has become a leading battery factory in the ...

Vietnam Battery Market Report 2025 analyzes market share, top battery manufacturers, 100K+ EV capacity, 5M+ lead-acid units ...
